

Meet Mrs. Roper

Evergreen High School Counselor

Welcome to the 2017-2018 school year! We are so excited you are here. As your new High School Counselor. I am here to help you with personal, social, and any academic needs that may come up, as well as college and career planning. My door is always open and I look forward to getting to know you this year!

A little bit about me: I have over 18 years of experience working with students, families and communities. I love art, sports, traveling, spending time with family, friends and my new puppy, Maggie! I also love Target, sushi, ice tea, positive saying t-shirts and The Jones Market.

What does a School Counselor do?

Address all students' academic, career and social/emotional development by promoting a comprehensive school counseling program that promotes student success. This is achieved through:

- Individual Student Counseling
- Group Counseling/Workshops
- Classroom Guidance/Presentations
- Responsive Services
- Parent and Teacher Collaboration/Consultation

(ASCA, www.studentcounselor.org)

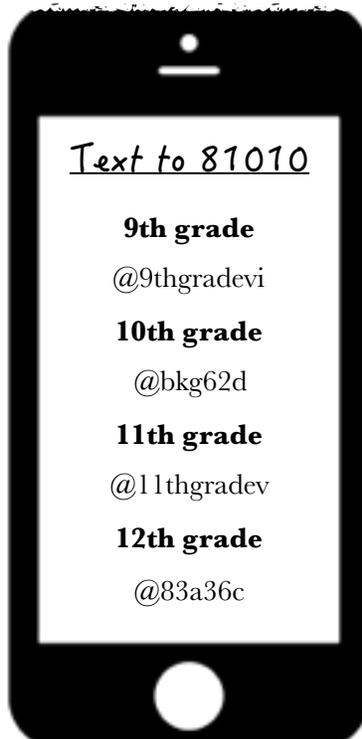

Confidentiality

"A student's right to privacy and confidentiality is the basis for an effective counseling relationship. Confidentiality ensures that school counselors won't share students' disclosures with others except when the student authorizes it or when there is a clear and present danger to the student and/or to other persons. While respecting the rights and responsibilities of parents/guardians for their children, the school counselor works to establish a mutual relationship with parents/guardians to maximize a student's development."
