Advanced Placement courses are rigorous, “entry-level” college course, and include an end-of-course exam. This exam is a National exam, given on the same date & time across the country. Students who take AP courses send a signal to colleges that they’re serious about their education and that they’re willing to challenge themselves with rigorous coursework. Research shows that students who receive a score of 3 or higher on AP Exams typically experience greater academic success in college and have higher graduation rates than their non-AP peers. 85% of selective colleges and universities report that a student’s AP experience favorably impacts admission decisions. Students who register for an AP Course are automatically registered for and expected to take AP Exam in the spring. Students who register for an AP Course are graded on Evergreen’s weighted 5.0 grading scale. AP Exam costs will be added to the students fee account. AP Exam costs are set by the College Board and vary from year to year (approximately \$94). Fee waivers are available for families who meet specific income requirements, see your school counselor for details. Students may withdraw from an AP course with instructor, principal, and parent approval no later than three days into the start of the school year.

### EHS AP Courses

*Please initial next to all AP courses you are requesting. Please note, checking the boxes below do not guarantee enrollment, but rather a consideration. The Academic Team will make final decisions based on transcript review, teacher recommendations and academic history. Student success is our highest priority.*

Math	English	Social Studies
<input type="checkbox"/> AP Calculus <input type="checkbox"/> AP Computer Science Principles (Web-Based) <input type="checkbox"/> AP Computer Science A - Java (Web-Based)	<input type="checkbox"/> AP Language & Composition <input type="checkbox"/> AP Literature & Composition	<input type="checkbox"/> AP American Government

**TEACHER RECOMMENDATIONS:** Teacher recommendation in the same content/subject area is required for consideration. By signing below, teachers are attesting to a student's work ethic, commitment & academic professionalism. A teacher recommendation does not expressly dictate a student’s potential success in any AP course.
